

Greetings New Song Family,

Thank You, to all of you who joined us last weekend for our online Worship Service. We are aware of some of the difficulties some of you faced with your internet and telephone connections. We have been working hard this week to clean up and create an online Worship/Bible study experience for you and our church community that does not have some of those problems. Please continue to be patient and pray for us as we refine the delivery of our on-line Worship Services and Bible Studies. Our online Worship service will begin at 10:00 am on Sunday mornings and It will last approximately 1 hour and 15 minutes. One of our Disciples Life Instructors will contact you concerning our new Bible study arrangements and times.

Here are a couple of things to keep in mind as we experience a new normal during this season:

1. Consider connecting your computer to your television to afford you a larger viewing screen, as well as allow you to have adequate volume to hear clearly. If you can't connect your computer to the television, the huddle method around your computer works just fine.
2. If you are single and have a roommate, consider watching it **together**.
3. If you have a family, you are encouraged to watch it **together**.
4. Before you start, pray for the following:
 - That the Lord will prepare your heart for the Word
 - Smooth access and operation of technology
 - For the Lord to touch the hearts of those who will view the gathering via social media
 - Pray for our Speaker as well as our Worship ministry leaders
 - Pray for many souls to be saved as well as encouraged.
5. Please have your Bible available and open during the service.
6. Seek to avoid being distracted by things like talking on your cell phone, texting, or anything else.
7. Pray against the urge to critique this new experience. You'll have ample opportunity to share constructive feedback. Instead, allow your heart to be engaged as you listen to the Holy Spirit speak to you.
8. Please continue to be patient and pray for us as we refine the delivery of our on-line Services.
9. Have fun together and let's watch God work in us, through us and around us!
10. Lastly, remember to celebrate all that God has done for us by giving back to His Kingdom through your tithes and offerings (Malachi 3:1; 2 Corinthians 9:6-8; Matthew 6:33).

If you're giving online already through our Website, THANK YOU and please feel free to continue. If you need to write a check, please send it to the church office at: **New Song Church--8401 Good Luck Rd., Lanham MD 20706.**

May Jesus continue His beautiful work of Salvation and Sanctification in our lives as we continue to grow in grace and to trust Him in these uncertain times. If you have any questions, we can still be reached at the Church office @ **301-477-1948** or email me at pastorfuller@nsbfc.org. **WE LOVE YOU** with the Love of Jesus! and remember We are all in this **together!**
